TO: Acme Monaco Customer

Reference: **ISO Certificates Update**

Dear Customer:

This letter is to inform our customers that we have completed our recertification audits, and we are currently awaiting the arrival of our new certificates.

We understand these certificates are an important part of your quality system documentation, and we are working with our registrar to have these issued as soon as possible.

We will post these new certificates on our company website www.acmemonaco.com/quality as soon as they are issued.

We thank you for your patience.

Best regards,

Richard Ohidy
Director of Quality Assurance
and Corporate Regulatory Affairs
